To Arouse Public Interest In the Schools of the City

Dr. Kinard Calls a Mass Meeting for the Opera House in the Interest of the Schools. Dr. Morse to Make Address. Others to Speak.

Dr. Kinard the superintendent of city schools requests all who can possibly do so to meet at the Opera House next Monday morning at 10 o'clock. He hopes that the men will leave their places of business for an hour to hear Dr. Morse on Community Spirit. A special invitation is extended to the public spirited women of Newberry who have already done so much for the schools. In addition to Dr. Morse's address there will be from three to five minute talks by three or four of the prominent business men of the city.

The pupils of the High school and the 6th and 7th grades will meet

at the Opera House at 9:45 and take the seats to the front in the auditorium. Immediately after the exercises these pupils will report to their respective schools.

The High school pupils will assemble in the auditorium of the High school.

The pupils of the 6th and 7th grades will report to their rooms at the graded schools.

The pupils of the grades from 1 to 5 will go to their respective schools at the regular opening hour, 8:55, when the teachers will meet them and begin the work of the new session.

VARIOUS AND ALL ABOUT.

Rita Jolivet in "An International Marriage" will be seen at the Arcade Friday, September 22.

The way some men ate pindars Tuesday night it is a wonder they didn't get pindarcitis.

Mary Pickford in "Little Pal" will be the Paramount shown next Wednesday at the Arcade.

The Young People's Missionary society of Central Methodist church will meet Sunday afternoon at 3 o'clock in the church parlors.

Owen Moore, Mary Pickford's husband appears at the Arcade Monday with Hazel Dawn in "Under Cover" a Famous Players Paramount

What moistens the lip and brightens the eye, what calls back the past like the rich pumpkin pie—Am old poet.

It will be "The Kiss of Hate" at the Opera House next Thursday, September 21, with the celebrated star, Ethel Barrymore, in the featured role.

It appears from the returns that Hon. Fred Dominick of Newberry has realized his ambition and is now congressman for the third district—Greenwood Index. It sure does.

We wonder what those Newberry papers will talk about after the campaign is over—Anderson Mail. What did Noah talk about after the flood? He didn't talk about going fishing; he talked about going ahead with what was left, after using the split log drag.

If you don't see personals, little items and other local matter on the last page, look on all the pages. Some people think when they read what they call the local page that there are no more locals in the paper. The temporary reporter has been furnishing so much matter for the past week or two there has not been room enough for all of it in the whole paper.

The early sunlight filtered through the filmy draperies to where a wondering baby stretched his dimpled hands to catch the rays that lit his face and flesh as dawn lights up a rose. —From the Mysteries by James Hunt Cook. It was at Mr. Jno. W. Earhardt's home, only the wondering baby stretched "her" dimpled hands and she is his latest grandchild, with its home in Columbia.

How the stricken Nadia meets and falls in love with a young officer of the Imperial Guard, who gives shelter to her and her dying brother in his hunting lodge, how she learns that his father is the Perfect, who has murdered her father and brother and debauched her, make the thrilling and tragic events that follow form a story of compelling quality, and a real

dramatic sensation. At the Opera House Thursday September 21.

Sparks from the C. N. and L. freight engine set fire Monday to the peavine field of Mr. H. B. Wells. The peas had been gathered. The fire burned the peavine hay to the extent of about a quarter of an acre in a hurry, as it was very dry and in fine condition to be licked up speedily by the flames. If it had not been for Mr. George Swittenberg, Sr., and Mr. H. M. Mayer more would have been destroyed. These men happened up and saved the balance.

The fact that there are two J. C. Dominicks in this city gets things a little mixed occasionally. There is a J. Chesley and there is a J. Claude. The temporary reporter for The Herald and News had the right one on his mind, but having it stronger on his mind not to use the wrong one, the temporary reporter, in the rush of the election, balled it up, just as several others connected with the paper balled up some of his stuff or junk in the last issue.

"The Kiss of Hate" deals with the tragic experience of Nadia Turgeneff, whose father, the Governor of Valogda, a Russian province, notorious for its persecution of the Jews, is assassinated by the Perfect of Police, who is the real power in the district. How the Perfect seeks to make Nadia serve his own base purposes by threats of torture and Siberia for her only brother, and how she curses him, even as she bows to his brutal will, form the basis for a plot, the development of which gives the fullest play to Miss Barrymore's wonderful dramatic powers.

MANNING HOLDS MAJORITY OF NEARLY 5,000

Nearly Complete Returns from Primary Make Practically No Change in the Relative Standing.

News and Courier.

The comparatively few returns from Tuesday's primary received since the publication of the figures in The News and Courier yesterday, when it was definitely stated that Governor Richard I. Manning had been renominated over his opponent, former Governor Cole L. Blease, by a safe majority, which is still practically as it was given yesterday. There are probably not more than 1,500 votes yet to come in and that number cannot possibly change the result. With 137,219 votes accounted for the standing for Governor is:

Manning 70,972
Blease 66,247

Manning's majority.... 4,725

CANSLER CERTAIN WINNER.

For railroad commissioner James Cansler has increased his majority over Albert Fant to approximately 25,000.

Close in First Circuit.

An extremely close race is that for solicitor of the 1st circuit between Andrew J. Hydrick, of Orangeburg, and Ed C. Mann, of St. Matthews. The complete, but official, count gives Hydrick a lead of five votes. While great care has been taken in compiling the figures for this contest, and it is believed that they are correct, still it may require the official count to decide the winner.

For Congress.

With eight boxes missing in the entire 3d district, for Congress Fred H. Dominick has a majority of 2,493 over Wyatt Aiken, incumbent.
